SEEDWAY® RELEASES NEW COMMERCIAL TURF PRODUCTS CATALOG

(Hall, NY): SEEDWAY has just published the latest edition of its 2016 Commercial Turf Products Catalog. In it you will find the newest varieties of cool season turf grasses currently available along with a complete listing of all of SEEDWAY's commercial stock mixes and retail / consumer turf mixes that are readily available. There is also a description of SEEDWAY's turf grass research farm in Bucks County, PA. Almost all of our turf grass products are tested at this site prior to commercial release, assuring you of quality varieties adapted to our region.

In addition you will find a very extensive listing of all of our erosion control blankets and hydroseeding mulches. We carry a product that is sure to fit your needs, from cellulose mulch, to the bonded fiber matrix, to flexible growth mediums.

SEEDWAY also carries a full-line of products for your sports fields, from soil amendments to clay products from pitching mounds, to growth blankets, to sideline and mound covers. SEEDWAY has you "covered" for all of your sports field needs.

To obtain your free copy of SEEDWAY's 2016 Commercial Turf Products Catalog, email Pamela Bailey at pbailey@seedway.com. For questions regarding turf seed products or variety selections please email Fred Mohr, Turf Seed Business Manager at fmohr@seedway.com.
