

SILAGE YIELD

STANDABILITY

RELATIVE MATURITY 112 DAYS

SW 6790VT2P (RIB)

VT Double PRO® RIB Complete®

A proven agronomic package supports use for both grain and silage across a wide swath of territory where the maturity fits. Reliable, top shelf yields for both grain and silage. Strong stalks and roots. Adapted to highly productive, moderately productive and less productive soils as well. Stand alone trait package. Use where Corn Rootworm is not a concern.
