

Pepper
Better Genetics.
Better Productivity.
Better Profitability.

TAKARA

73 Day - Sweet Specialty Pepper

KEY CHARACTERISTICS

- Chefs are loving this tasty, thin-fleshed Japanese pepper. They saute it in olive oil and serve it as an appetizer. For added excitement, 1/10th of the fruit may be slightly hot...its a tradition.

Relative Maturity	Size	Plant Type
73 Days	3"-4" x 1.5"	Small Spreading
