

SEEDWAY® PRESS RELEASE

HALL, NY - April 14, 2021

FOR IMMEDIATE RELEASE

SEEDWAY NAMES FARM SEED RESEARCH & DEVELOPMENT TECHNICIAN

(Hall, NY): SEEDWAY, LLC is proud to announce that Paige Williams has accepted the position of Research & Development Technician.

Paige earned her associate degree in Agricultural Science from SUNY Morrisville in 2020. Originally from Salamanca, NY, she grew up on her family's grain farm, specializing in grain corn, soybeans, oats, and dry hay. During the summer of 2019, Paige did an internship with Growmark FS on their research plots and returned to FS in the spring of 2020 as an employee to work in the plots. She continued in that role until October 2020 when Paige was moved to being Crop Associate/Sales. Paige currently lives in Belfast, NY, and is excited for her future here at SEEDWAY.

In her new role, Paige will be assisting in plot planting and research for SEEDWAY Partners. She will be assisting in forage sampling and data research to further SEEDWAY's impact on the farm level.
