AC ESTIVAL

Iceberg

KEY CHARACTERISTICS

- AC Estival has the ability to stand up to heat, especially going from hot to cold. It is slow to bolt, holds well in the field, and is reliably uniform to head. The leaves are thick. It shows good tolerance to fusarium.

Relative Maturity

80 Days

ELIZABETHTOWN, PA (800) 952-7333

LAKELAND, FL (863) 648-4242
