

Pumpkin
Better Genetics.
Better Productivity.
Better Profitability.

PIXIE

KEY CHARACTERISTICS

- Pixie may have a sweet name but it is a hardy and durable pumpkin! Pixie matures early with a concentrated set and carries the precocious yellow trait, allowing it to help mask the green flecking on the fruit.

Relative Maturity	Weight	Skin Color	Shape	Vine Type
100 Days	½ lb.	Medium-Orange, Speckled	2" x 3.5"	Restricted, Vigorous Vine
