RELATIVE MATURITY
93 DAYS**SW 9333RR****Roundup Ready® Corn 2**

Big and brawny hybrid with non-stop performance in the field and in the bunk. A real standout for silage with premium tonnage plus an enviable fiber and starch package. Shells out a lot of bushels of grain and produces energy-rich feed to make a lot of milk. A shanky, large-eared hybrid with deep kernels and a small cob that really struts its stuff. Fast out of the ground for early planting and superior intactness right through harvest plus fights off Northern Corn Leaf Blight.
