

RELATIVE MATURITY 95 DAYS

SW 9595DV (E-Z)

DuracadeViptera™

95RM hybrid with premium DuracadeViptera™ trait that fends off both above and below ground insects to protect yield, standability, and quality. A visual knockout in the field with exceptional eye appeal supported by top shelf performance. Consistent ear development down the row with length, girth plus husks that loosen on a leafy plant with superior staygreen and fall plant intactness. Adapted to all yield environments with wide adaptation across the Northeast where maturity fits.
