## AVALANCHE

## KEY CHARACTERISTICS

Avalanche is comparable to a smaller version of Moonshine. Color is bright white – we recommend that growers harvest the same way they would harvest Moonshine (harvest promptly when fruit is mature to maintain best white color).

Relative Maturity	Weight	Skin Color	Vine Type
95 Days	5-7 lbs.	White	Medium

**DISEASE RESISTANCES (HR=High Resistance, IR = Intermediate Resistance)**

**IR: Pm**
