KEY CHARACTERISTICS

Cato is an early-maturing watermelon, ready for harvest in about 82 days. This dual-purpose variety combines firm flesh with a bright red, palatable texture, excellent brix, and outstanding flavor. Its resilience in transport and versatility make it ideal for both fresh-cut and whole-fruit markets.

| Relative Maturity | Weight | Flesh Color | Rind | Shape |
|-------------------|----------|-------------|---|-------|
| 82 | 13+ lbs. | Bright Red | Light green rind with medium-dark stripes | Oval |
