## MOHAWK

110 Day - Green Storage Cabbage

## KEY CHARACTERISTICS

Mohawk is a medium-long-term storage cabbage with a perfectly round head that is solid and tight. It grows on a high stem, keeping the heads clean. Heads come out of storage with a fresh green look and light green under the wrap leaves.

Relative Maturity	Head Type	Plant	Storage Rating
110 Days	Round	Medium-erect	Medium-long term

### DISEASE RESISTANCES (HR=High Resistance, IR = Intermediate Resistance)
