HALL, NY - SEEDWAY, LLC is pleased to announce the appointment of Bill Murray as Southwest Regional Sales Manager, bringing more than 30 years of leadership experience in the vegetable seed industry to the company's growing Western U.S. operations.

Bill joins SEEDWAY from Nong Woo Seed Company America, where he most recently served as U.S. Sales and Marketing Manager. He has also held key product management roles with Syngenta as Product Business Manager - Peppers, and with Harris Moran Seed Company as Product Manager for leafy, root, bulb, and brassica crops, leading product development, marketing strategy, and cross-functional business unit teams.

"We are excited to welcome Bill Murray to SEEDWAY," said Jason Burchett, SEEDWAY Vegetable Seed Division Manager.
